CAFT CHALLENGES RAISE £38,000!

Our CAFT supporters have been pretty busy over the last couple of months taking part in our incredible challenge events. Together, the last 4 events of Summer Solstice, Peru Inca Trail, Raid Alpine and Snowdon at Night, have raised a total of £38,000!

Dozens of countries visited, hundreds of miles travelled and thousands of pounds raised - thank you to all of our incredible participants and their wonderful sponsors!

We still have many more exciting challenges this year from a local Altrincham 10k to racing tuk tuks across Sri Lanka. [Check out our upcoming challenges here](#) or e-mail jure@caft.co.uk

£24K IN 24HRS

Join our new fundraising project in October 2023 to raise a total of £24,000 that will support 2,000 children to visit CAFT.

We are asking clubs, schools, colleges, & community groups if they might be able to fundraise for CAFT one day in the week leading up to Friday 6th October. Whether it be an own clothes day £1 donation, a cake sale, a book swap, a raffle or a sponsored activity, we are hoping everyone will be creative in their ideas, to help us raise much needed funds to enable more children to visit CAFT. If you'd like to get involved, please contact hannah@caft.co.uk
