### PHAB FEEDBACK!

This month we had a wonderful visit from Phab club bringing along 40 children. Here's what they had to say:

*"Thank you so much for hosting our Phab Adventure Farm Day. We had an amazing day and it was wonderful to spend time in the outdoors, meeting the animals, being creative and having a huge amount of fun. The laughter and smiles didn't stop all day."*

*The families have all expressed how much they enjoyed it and whilst the children were running around having fun and making friends, the parents were able to relax in the knowledge that they were in a safe space, free from inaccessibility and judgement.*

*CAFT embraces the same values as Phab of inclusion and wellbeing, along with a genuine sense of kindness and respect and it was wonderful to work with you and enable us to offer such a Phabulous experience!"*
