VOLUNTEER THOMAS WRITES A BOOK!

Thomas visited CAFT as a young boy and now volunteers with us in the office, on site and at the charity shop. Thomas has written a book 'Bobby's Story' which follows Bobby's visit to CAFT for the first time. Also including colouring in pages, the book will be available to purchase at CAFTFest for a small donation!

FEEDBACK

"We as parents had our proudest moment in the sports hall when our daughter Libbi went on her 1st slide since being in a wheelchair 5 and a half years. It was a moment for us all I will never forget and CAFT gave us that memory"
